## 150 Best Apartment Ideas

Inspirational full-color profiles of 150 of the most exciting apartments ever designed

*150 Best Apartment Ideas* offers an extensive collection of apartments from all over the world created by distinguished, international architects and designers who have worked to achieve practical, innovative, and stunning solutions for apartment dwellers everywhere.

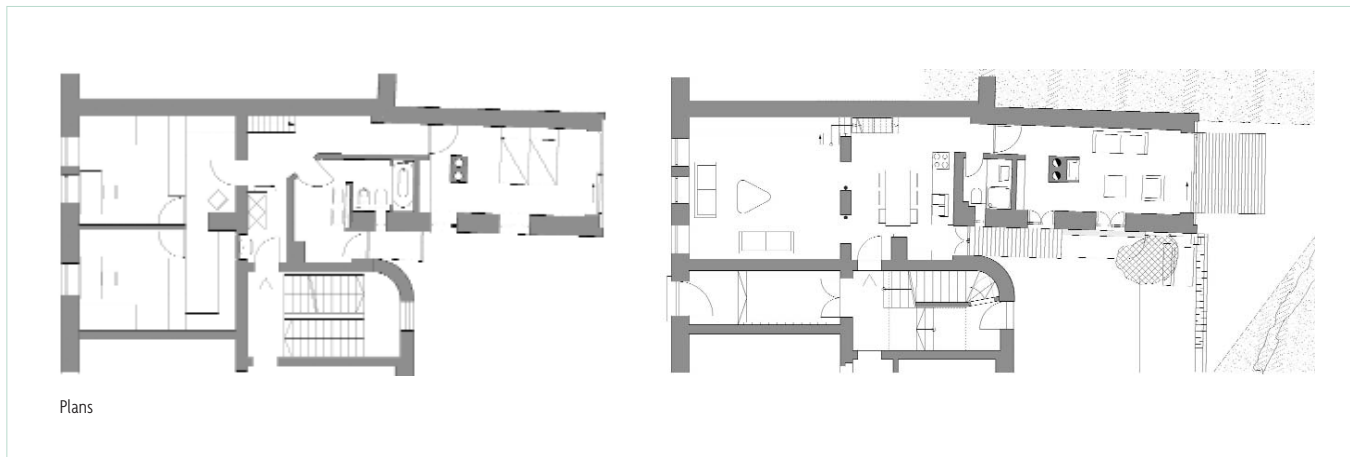

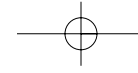

The beautiful photographs in this book show the diversity of current trends in home design and provide an inspirational source of ideas for anyone living in or designing an apartment.

M6 Private Apartment

In line with the modifications of the 1896 apartment building in the center of Munich, this residence was rebuilt and expanded for its current owner. By merging a basement and a first-floor apartment, a duplex was created that divides the living area from the sleeping area. The living area features an open-plan kitchen punctuated by a central fireplace.
